CHAIRMAN MESSAGE

It gives me an immense pleasure to provide quality education to remote and poor people. We are not restricted to academic excellence but we do believe in nurturing Patriotism, eco education, good deeds with human values. it is a revolutionary concept which provides education over hundreds of poor students. Our eco education namely "VGI Green Revolution" is an added value for our academic.

The placement scenario is also quite commendable as several premier companies visit our campus for recruitment. We acknowledge the students, parents, teaching and non teaching staff and society in general as our stake holders for their continuous support in taking this institution to greater heights. We never compromise on any part of our quality and our policy of providing technical education in international standards.

I can list my excellent reasons to study at our institutes but I think you may find it even more relevant to hear directly from your peers.

Mr. Mukesh Patidar
Hon'ble Chairman
