Attention: Students of Mechanical Engg., Electrical Engg.

An Industrial visit is scheduled for the Students of Mechanical Engineering, Electrical Engineering
Anant Spinning Mills, Mandideep, Bhopal on 21st November, 2016(Monday) at (10:30 AM).

About Company:

The Vardhman Group is a leading producer of fabrics in India with fabrics contributing about 30% to the group's revenue. It is one of the few vertically integrated fabric suppliers in India producing fabrics for both tops and bottoms in the apparel segment serving large retailers in USA, Europe, Asia and more.

Vardhman Fabric team is innovative with development of new products aiming to fulfill the customer's expectation, keeping in view changing trends. Having a well equipped design and development studio; and also engaging reputed international designers in Italy, we offer variety and quality to our esteemed customers. With a weaving capability above 180 million meters per annum and processing capacity of over 114 million meters per annum across a wide specialty fabrics' range, the Company is geared and ready to meet the ever-growing demand for quality fabrics worldwide.
