Bhaskar Industries, Mandideep, Bhopal on 22nd September, 2018(Saturday) at (10:30 AM).

About Company:

Bhaskar Industries, is a Vertically Integrated Denim Mill under one roof, with an annual capacity of 44 million meters. Ever since our first loom kicked into action in the year 1998 — we have remained focused and responsive to the demands of the Jeans-Scape. Consistency in quality, timely delivery and keeping pace with the changing fashion trends has given us a desired position in the denim industry. With a strong product development team at the core and expertise of International designers, we are surging ahead with a basket of innovative products, to prime world markets in major garmenting centers. Bhaskar has its own overseas and domestic offices and direct representations in many countries..
