Students are the heart of our institution, and everything we do is centered around their growth and success. Our aim is to provide an education that goes beyond books one that teaches you to think critically, act ethically, and grow personally.

We continuously strive to improve our academic programs, skill development activities, and placement support, ensuring that students ready to face the real world with confidence.

Our aim to build a bridge between tradition and modernity where students respect values while embracing the future.

I warmly welcome all students to be a part of this transformative journey.

WORDS FROM THE JOINT SECRETARY

Mr. Akash Patidar
Joint Secretary of VGI

We are truly grateful to all the parents who have placed their trust in us by choosing Vaishnavi Group for their child's future. It is both our responsibility and honour to live up to that trust and give our very best for their growth and success.

There are generally two perspectives when it comes to education. One focuses on academic success getting a good education, securing a high paying job, and progressing in reputed multinational companies. This is absolutely valid, and we! completely agree with its importance.

You can already witness our efforts in promoting these values through the various activities we conduct. We are committed to providing an environment where students learn not just from books, but from real life experiences as well.

"VAISHNOTSAV" '2K25'

@VGI

Vaishnavi Group of Institutes organized VAISHNOTSAV 2K25, a vibrant Annual event themed "SINDOOR, together we rise" from 17th of May 2025.

This year, our annual function carries a powerful and emotional theme Operation Sindoor, dedicated to the brave soldiers of our nation who protect our borders with courage, sacrifice, and unshakable determination.

Through this theme, we want to honor our brave soldiers and also help you feel the importance of unity, respect, and sensitivity. The word "Sindoor" stands for sacrifice and love. Our soldiers leave behind their families, comfort, and sometimes even their lives so that we can live in peace.

Let this event be more than a performance. Let it be a tribute. Let it remind us that true patriotism means standing together, caring for each other, and always remembering the ones who silently serve the nation.

May this theme inspire you to be compassionate citizens, strong in values, and united in spirit because a country's future depends not only on its soldiers but also on its youth.
